RELATIVE TO OLD AGE ASSISTANCE ACT

Mr. Westbrook offered the following resolution:

H. C. R. No. 27, Relative to Old Age Assistance Act.

Whereas, Section 3, Article 2, Old Age Assistance Law passed by the Forty-fourth Legislature contains in divisions A, B and C:

"(a) - Has attained the age of sixty-five (65) years;

(b) Is a citizen of the United States;

(c) Has resided in the State of Texas for five (5) years or more within the last nine (9) years preceding the date of his application for assistance, and has resided in the State of Texas continuously for one (1) year immediately preceding the application. The terms "residence", "residing" and "resided" as used in this Act shall denote actual physical presence within this State as distinguished from the word "domicile" and the word "residence" as used in their broader meaning."

Whereas, The Old Age Assistance Commission in construing the meaning of this part of Section 3 is construing it to mean that if any old person leaves the State for a short period of time on a visit to relatives or on important business, that such old person or persons are not eligible for assistance under the provisions of this Old Age Assistance Act when the true facts are evident that they have not moved their state of residency or have no intention whatsoever of moving their residence into another State; and

Whereas, It was not the intention of the Legislature to construe that this law should be construed in such a way; therefore, be it

Resolved by the House of Representatives and the Senate concurring, That the Old Age Assistance Commission be instructed to place back in line for Old Age Assistance those who have been denied under the present interpretation of the above mentioned Section, and, furthermore, that grant be given to leave the State for a reasonable duration of time on visits to relatives or on other important business, as the case may be, just so long as a change of residence is not made.

WESTBROOK,
CATHEY.

The resolution was read second time, and was adopted.

REQUESTING THE FEDERAL COMMUNICATIONS COMMISSION TO INCREASE THE ALLOTMENT OF POWER TO CERTAIN RADIO STATION

Mr. Metcalfe offered the following resolution:

H. C. R. No. 28, Relative to certain radio station.

Whereas, There is a large section of the State, surrounding Tom Green County, which is devoted primarily to the production of cattle, sheep, goats, and other livestock; and

Whereas, The industries peculiar to this section are interested in accurate and reliable weather and market reports, which should be available through radio broadcasts; and

Whereas, Because of the distance from powerful radio stations, such services are not available at the time most needed; and

Whereas, There is located in the city of San Angelo radio station KGKL, which would supply such services if it had adequate power; and

Whereas, It would be to the best interests of the people residing in the section herein mentioned, to have a radio station of adequate power located in San Angelo; now, therefore, be it

Resolved by the House of Representatives of the State of Texas, the Senate concurring, That the Federal Communications Commission be requested to increase the allotment of power to radio station KGKL to the extent that it will be able to serve the needs of the people of the section affected; and, be it further

Resolved, That copies of this resolution be sent to the members of the Federal Communications Commission.

The resolution was read second time, and was adopted.

RESOLUTIONS SIGNED BY THE SPEAKER

The Speaker signed, in the presence of the House, after giving due notice thereof, and their captions had been read severally, the following enrolled resolutions:

H. C. R. No. 3, To grant R. F. Davis permission to sue the State.

H. C. R. No. 8, To grant H. J. Birdsong permission to sue the State.

H. C. R. No. 20, To grant H. J. Wilde permission to sue the State.

H. C. R. No. 19, To grant H. H. Friar permission to sue the State.

S. C. R. No. 6, To express legislative intent in regard to certain bill.

S. C. R. No. 7, To request the Board of Control to assign additional space to Texas State Library.

TO AUTHORIZE THE ATTORNEY GENERAL TO MAKE CERTAIN INVESTIGATION AS TO THE PRICE OF GASOLINE

Mr. Farmer offered the following resolution:

Whereas, The Dallas News of June 16th stated that one C. C. Hayley had made report of the raise of the price of gasoline in Fort Worth and other places from 12c to 15c per gallon on June 15th, 1937; and

Whereas, The price of gasoline was raised in the City of Fort Worth on that date from 12c to 15c per gallon and consumers were required to pay an increase in price of 25% when the wholesale price had not been increased; and

Whereas, The Supreme Court of the State of Texas on June 16th held that the anti-trust laws of the State of Texas are still in effect and binding upon all in the State of Texas; and

Whereas, Certain parties with headquarters at 1013 West Magnolia Street in Fort Worth, Texas, calling themselves "The Fort Worth Gasoline Retailers Association" did order and direct by confidential letter that all parties selling gasoline from the East Texas fields should raise their prices at once from 12c to 15c a gallon, which order was sent out about the date of June 12th, 1937; and

Whereas, Said address in Fort Worth, Texas, is a filling station owned by one of the major companies; and

Whereas, More than two hundred (200) filling stations in said City of Fort Worth did agree and conspire together to raise the price of gasoline from 12c to 15c per gallon, and as a result of such conspiracy and agreement did raise the price of said commodity 25% when there was no just and legal cause for such increase in price; and

Whereas, The wholesale price of

such commodity delivered at the stations had been 10½c per gallon, and by such artificial raise in price the citizens were caused to have to pay a gross profit of nearly 50% for gasoline; and

Whereas, Such action is in violation of the anti-trust laws of the State of Texas; and

Whereas, Many of the so-called independent stations are none other than filling stations owned and controlled by major oil companies, and the operators are directed by such major companies; and

Whereas, Such artificial raise of the price of this commodity by such alleged conspiracy is in violation to the anti-trust laws of Texas; therefore, be it

Resolved by the House of Representatives of the State of Texas, That the Attorney General is hereby called upon and urged to make speedy investigation of this artificial raise in the price of gasoline; and, if there is found to be violation of our anti-trust laws, we urge upon him to make vigorous prosecution of the offenders; and, be it further

Resolved, That the Attorney General of Texas is requested to make report of his findings in this matter as soon as he can to the House of Representatives that the House of Representatives may have the information, in case there is further need for the enactment of laws to prevent such conduct, which oppresses the people in their use of gasoline.

And the Chief Clerk of the House of Representatives is hereby directed to prepare a copy of this resolution and submit same to the Attorney General of the State of Texas for his information.

The resolution was read second time.

Mr. Wood moved that the resolution be referred to the Committee on Oil, Gas and Mining.

Mr. Alsup moved to table the motion to refer the resolution.

Question recurring on the motion to table, yeas and nays were demanded.

TO PROVIDE FOR LEGISLATIVE INSIGNIA

Mr. Sewell offered the following resolution:

Whereas, There is at the present time no official seal, emblem, or article of jewelry designed and designated officially as the insignia of a Member, or ex-Member, of the House of Representatives branch of the Texas Legislature; and

Whereas, Such an insignia would be a most cherished article to be worn forever with the fondest of memories by those qualified to wear same; and

Whereas, Such an official insignia could be most handily worn, cared for and best appreciated in the form of a ring or lapel button; therefore, let it be

Resolved, That the Speaker appoint three Members of the House as a committee to decide upon a design and type of ring and lapel button to become the official House of Representatives legislative insignia of Texas; and let it further be

Resolved, That the committee be required to report back to the membership at its next session what it has done, the design chosen, and all details concerning the purchase of the buttons and rings.

The resolution was read second time.

Mr. Jones of Falls raised a point of order, on consideration of the resolution, at this time, on the ground that the time allotted for the consideration of resolutions has expired.

The Speaker sustained the point of order.

Mr. Johnson of Ellis moved that the Rule be suspended and that the time allotted for the consideration of resolutions be extended until 10:35 oclock a. m., today.

Sec. 5. That pages 50, 51, 52 and 53 of Senate Bill No. 139, Acts of the Forty-fifth Legislature of Texas, Regular Session, 1937, including all appropriations therein made for the support, maintenance, salaries, repairs and improvements of buildings, at said North Texas Agricultural College, Arlington, Texas, are hereby repealed.

Section 6. In addition to the appropriation made under the provisions of House Bill No. 352, Acts of the Forty-fifth Legislature of Texas, Regular Session, 1937, there is hereby appropriated out of any funds in the State Boiler Inspection Fund, not otherwise appropriated, the sum of Ten Thousand (\$10,000.00) Dollars for each of the years ending August 31, 1938, and August 31, 1939, for the salaries and the expenses of inspectors, clerks, and stenographic hire to administer the terms and provisions, of said Act. The appropriations herein made shall be, and become, available to the Commissioner of Labor in the Bureau of Labor Statistics of the State of Texas, and he is hereby authorized and directed to expend such appropriation, or so much thereof as may be necessary, for any of the foregoing purposes.

Section 7. The fact that Senate Bill No. 139, Acts of the Regular Session, Forty-fifth Legislature of Texas, 1937, as same was enrolled and signed by the President of the Senate and the Speaker of the House of Representatives and filed with the Governor, provided salaries on a "twelve months" basis, instead of "nine months" and failed to include Thirty Thousand (\$30,000.00) Dollars for improvements, repairs, and equipment for the library at North Texas Agricultural College, Arlington, Texas, included One Hundred Two Thousand Five Hundred (\$102,500.00) Dollars each year for science building at Texas College of Arts and Industries, Kingsville, Texas, when such items should have read One Hundred Thousand (\$100,000.00) Dollars for each of the years ending August 31, 1938, and August 31, 1939, that said bill did not include an item of Thirty-five Thousand (\$35,000.00) Dollars for the purchase of a girls' dormitory and equipment for Sul Ross State Teachers College, Alpine, Texas, as all of these matters were agreed upon by the House of Representatives and

the Senate, through their conference committees on said bill and the fact that there is no way to correct said errors except through the enactment hereof, and the further fact that it will be necessary to employ several inspectors, clerks, and stenographers to administer the terms and provisions of the Act referred to in Section 6 hereof, that there are more than fifty thousand (50,000) boilers in the State of Texas, to be inspected under the provisions of said Act, that the Seven Thousand Five Hundred (\$7,500.00) Dollars made available annually to the Commissioner of Labor under the provisions of said House Bill No. 352 is inadequate to administer such Act, and that many boilers now in use in various sections of the State are a hazard to life and property, and the further fact that the appropriation included in Senate Bill No. 10, passed by the Forty-fourth Legislature expired on the 15th day of May, 1937, makes it imperative that this appropriation be passed so that the Dental Board may perform its duties as required by law, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days be, and the same is, hereby suspended, and that this Act shall be in force and effect from and after its passage, and it is so enacted.

On motion of Mr. Graves, the report was adopted by the following vote:

HOUSE BILL NO. 26 ON SECOND READING

On motion of Mr. Gibson, the Seventy-two Hour House Rule was suspended for the purpose of taking up and considering, until disposed of, House Bill No. 26.

The Chair then laid before the House, on its second reading and passage to engrossment,

H. B. No. 26, A bill to be entitled "An Act prohibiting the keeping of any premises for the purpose of dog racing upon which money or anything of value is being bet on said premises; providing penalties, and declaring an emergency."

The bill was read second time.

Mr. Mays raised a point of order, on consideration of the bill, on the ground that the bill is not within the Governor's call.

The Chair overruled the point of order.

On motion of Mr. Kenyon, further consideration of House Bill No. 26 was postponed until 10:00 o'clock a. m., tomorrow.

HOUSE BILL NO. 27 ON SECOND READING

On motion of Mr. Blankenship, the Seventy-two Hour House Rule was suspended for the purpose of taking up and considering, until disposed of, House Bill No. 27.

The Chair then laid before the House, on its second reading and passage to engrossment,

H. B. No. 27, A bill to be entitled "An Act prohibiting any candidate for Precinct, County and District offices from contributing to any charitable or other organization or individual."

The bill was read second time.

Mr. Powell offered the following amendment to the bill:

Amend House Bill No. 27, by strik-

ing out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. It shall hereafter be unlawful for any candidate for any Precinct, County or District office in this State in any Primary, General or Special Election, after he has announced as candidate for any such office to, directly or indirectly, pay or promise to pay, contribute or promise to contribute any money, or other valuable things to any charitable or other organization or to any individual, or to purchase any article at auction at any public gathering, which auction is held for the benefit of any person or organization.

Section 2. Any candidate who violates any of the provisions of this Act shall thereby forfeit the right to have his name placed upon the primary ballot in any Primary Election at which he is a candidate, or upon the Official Ballot at any General or Special Election. Proceedings by quo warranto to enforce the provisions of this Act, or to determine the right of any candidate alleged to have violated any provisions of this Act to have his name placed on the Primary Ballot, or the right of any candidate alleged to have violated any provisions of this Act to have his name placed upon the Official Ballot at any General or Special Election, may be instituted at the suit of any citizen in the District Court of any county, the citizens of which are entitled to vote for or against any candidate who may be charged in such proceedings with any such violation. All such proceedings so instituted shall be advanced, an summarily heard and disposed of by the trial and Appellate Courts.

Section 3. Because of the crowded condition of the business before this session of the Legislature and the fact that only a few days remain for regular business and the further fact that there is no law in Texas prohibiting contributions by candidates set forth in this bill creates an emergency and an imperative public necessity requiring the suspension of the Constitutional Rule requiring that a bill shall be read on three several days and said Rule is accordingly suspended and that this Act shall be in effect from and after its passage, and it is so enacted."

Mr. Powell moved the previous question on the amendment and the

engrossment of the bill, and the main question was ordered.

Question recurring on the amendment by Mr. Powell, it was lost.

Question then recurring on the engrossment of House Bill No. 27, yeas and nays were demanded.

House Bill No. 27 failed to pass to engrossment by the following vote:

according to the last preceding Federal Census; repealing all laws and parts of laws, General or Special, in conflict therewith, and declaring an emergency."

The bill was read second time.

Mr. Thornton offered the following amendment to the bill:

Amend House Bill No. 44 by striking out Sections 2 and 3 of said bill and insert in lieu thereof the following:

"Section 2. In all counties of the State of Texas having a population of not less than seventeen thousand six hundred sixty (17,660) inhabitants and not more than seventeen thousand eight hundred fifty (17,850) inhabitants according to the preceding Federal Census, the salary of the County Superintendent of Public Instruction shall be not less than two thousand seven hundred fifty (\$2,750.00) dollars and not more than three thousand (\$3,000.00) dollars per annum, the amount of which salary shall be fixed by the order of the County Board of Education for the said counties, and the County Board of Education for each of the counties coming within this bill shall by order entered in its minutes set the salary for each of their respective counties.

"Section 2A. In making the annual per capita apportionment to the public free schools, the County Board of Education of each of the counties coming under Section 2 of this Act shall also make an annual allowance out of the State and County Available School Fund not exceeding the sum of three thousand (\$3,000.00) dollars for the salary of the County Superintendent of Public Instruction and six hundred (\$600.00) dollars for traveling expenses incidental to and necessary in the administration of the County Superintendent's office annually, and the same shall be prorated to the schools in said county in proportion to the scholastic population of each school district in each of said respective counties, and the Commissioners' Court of each of said counties may expend out of the General Fund of said counties not to exceed three hundred (\$300.00) dollars per annum to defray the office expenses for stamps, stationery, telephone, and printing, incidental to and necessary in the efficient ad-

ministration of the schools of said counties, respectively.

"Section 2B. The salary and traveling expenses provided for in Sections 2A and 2B shall be paid monthly, upon the order of the County Board of Education; provided that the salary for the month of September shall not be paid until the said County Superintendent submits a certificate from the State Superintendent of Public Instruction showing that all reports required have been made to the State Department of Education. That the office expenses provided herein shall be paid by the County Treasurer on the order of the Commissioners' Court as said expenses may be incurred.

"Section 3. All laws or parts of laws heretofore enacted which are in conflict herewith, are hereby repealed.

"Section 4. The fact that the County Superintendent of Public Instruction in the counties named in this Act have numerous teachers and school districts that require much travel in the performance of the duties incumbent upon the office of the County Superintendent to execute efficiently a progressive school program in each of said counties, renders the said salary and expense allowances inadequate and out of proportion to the labor and responsibility attached to each of said offices, and creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be, and it is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

The amendment was adopted.

Mr. Simpson offered the following amendment to the bill:

dred ninety-five (13,395); in counties having a population of not less than nineteen thousand, eight hundred and forty-three (19,843) and not more than nineteen thousand, eight hundred and fifty-three (19,853); and in counties having a population of not less than thirty-six thousand (36,000) and not more than thirty-six thousand and fifty (36,050); in counties having a population of not less than twenty-nine thousand, and seven hundred (29,700) and not more than twenty-nine thousand, seven hundred and fifty (29,750) according to the last preceding Federal Census, the County Boards of Trustees may make such provisions as they deem necessary for office and traveling expenses of the County Superintendent of Public Instruction; providing that the amount of such expenditures for office and traveling expenses shall not exceed the sum of six hundred dollars (\$600) per annum."

The Speaker then laid before the House, on its second reading and passage to engrossment,

H. B. No. 65, A bill to be entitled "An Act amending Section 11 of Senate Bill No. 185, Acts of the Forty-fifth Legislature, Regular Session, and declaring an emergency."

The bill was read second time.

Mr. Wood moved to postpone further consideration of the bill until 11:00 o'clock a. m., tomorrow.

The motion was lost.

Mr. Derden offered the following amendment to the bill:

Amend House Bill No. 65, by adding a new section to be known as Section 2, and to renumber all succeeding sections accordingly, said new section to read as follows:

Section 2. That Section 10 of Senate Bill No. 185, Acts of the Forty-fifth Legislature, Regular Session, be, and the same is hereby, amended so that it shall hereafter read as follows:

"Section 10 (High School Tuition). It is hereby expressly provided that a sufficient amount of funds appropriated by this Act shall be used for the payment of high school tuition not to exceed Seven Dollars and Fifty Cents (\$7.50) per pupil per month. High School tuition shall be paid according to the provisions of House Bill No. 158, General Laws, Regular Session, Forty-fourth Legislature. Providing that the provisions of this Section shall not apply to granting of Aid under terms of this Section for Vocational Education or Crippled Children. It is further provided that high school tuition Aid, as above set out, shall be granted for pupils transferred to outside high schools from the State Home for Dependent and

Neglected Children at Waco and from the Alabama and Coushatti Indian Reservation near Livingston, provided that Aid so granted shall not exceed the per capita tuition charged other schools' transferred high school pupils by the high schools affected hereby."

Mr. Thornton raised a point of order, on consideration of the amendment, on the ground that the amendment contains subject matter not submitted by the Governor.

The Speaker sustained the point of order.

Mr. London offered the following amendment to the bill:

Amend House Bill No. 65, by striking out the words as follows: "or any other high school approved by the county board of school trustees" and insert in lieu thereof the following words: "or to the most convenient high school approved by the County Board of School Trustees".

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 65 was then passed to engrossment.

The Speaker then laid before the House, on its second reading and passage to engrossment,

H. B. No. 68, A bill to be entitled "An Act ratifying, confirming and validating all Acts of County Boards of Trustees in laying out or attempting to establish, combine, abolish or change any independent or common school districts, and all elections held in any county in this State for the purpose of laying out, establishing, combining, abolishing or changing any such independent or common school districts; providing that contest may be filed within thirty (30) days after the effective date of this Act; providing this Act shall not affect districts which may be in litigation at this time, and declaring an emergency."

The bill was read second time.

Mr. Burton offered the following committee amendment to the bill:

Amend House Bill No. 68, by striking out all below the enacting clause and substituting in lieu thereof the following:

"Section 1. That all Acts of County Boards of School Trustees in any County in this State in ordering an election for the purpose of laying out, establishing, combining, abolishing, or changing any independent or common school districts, are hereby in all things ratified, confirmed and validated, and that all elections held in any County in this State for the purpose of laying out, establishing, combining, abolishing, or changing any such independent or common school districts, where the majority of the qualified voters, who voted in said elections, voted in favor of laying out, establishing, combining, abolishing, or changing any such independent or common school districts, are also in all things ratified, confirmed, and validated.

Provided, however, that no action or resolution purporting to transfer any territory from one district to another district, without an affirmative vote of the voters of the districts affected shall be validated by the passage of this Act.

Section 2. This law shall not apply to any district or districts the laying out, establishing, combining, abolishing, or changing of which was not submitted to a vote of the people residing in such district or districts or territories affected thereby, or which may now be involved in litigation; provided, however, that any contest may be filed within a period of forty-five (45) days after the effective date of this Act, as to the validity of any change attempted to be made by said district or districts, the same as though this Act had not been passed.

Section 3. The fact that the validity and sufficiency of proceedings, orders, and elections of certain districts covered by the provisions of this Act may be questioned to the injury and damage of said districts, creates an emergency and an imperative public necessity demanding that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and it is hereby suspended and that this Act shall take effect from and after its passage, and it is so enacted."

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and with the body of the bill.

House Bill No. 68 was then passed to engrossment.

The Speaker then laid before the House, on its second reading and passage to engrossment,

H. B. No. 69, A bill to be entitled "An Act to amend Article 305, Revised Civil Statutes, 1925, pertaining to candidates applying for examination to practice law; fixing the educational qualifications for applicants for examination; authorizing the Board to waive certain rules of the Supreme Court; providing for liberal construction of certain provisions of this Act; authorizing recommendation of local bar associations in connection with the examinations of applicants; providing for recommendations where no bar association exists in county of residence of applicant; and making such recommendation to prevail, and declaring an emergency."

The bill was read second time.

Mr. Keith offered the following amendment to the bill:

Amend House Bill No. 69, by striking out Subsection (a) and (b) of Section 1 thereof and substituting the following:

"(a) In its discretion and for good cause shown in meritorious cases, the Board may waive, in specific cases, the rule of the Supreme Court which requires the applicant or declarant to register twenty-seven (27) months prior to the date when such applicant or declarant is to begin his examination; provided, however, that the exercise of such waiver shall be governed by such rules and regulations, if any, as may be prescribed or promulgated by the Supreme Court; and provided, further, that, as a condition precedent to the waiver of such requirement, the applicant or declarant shall file with the Board a written recommendation of the bar association of the county of residence of the applicant or declarant, which written recommendation shall be certified by the officers of said bar association and shall recommend that the Board waive such requirement. In the event there is no bar association in the county of residence of the applicant or declarant, then such written recommendation shall be obtained from the bar association of any county

to which such other county is attached for judicial purposes.

"(b) The Board shall not recommend any person for license to practice law unless such person shall show to the Board, in the manner to be prescribed by the Supreme Court, that he is of such moral character and of such capacity and attainment that it would be proper for him to be licensed."

Mr. Derden raised a point of order, on consideration of the amendment, on the ground that the amendment changes the original purpose of the bill.

The Speaker overruled the point of order.
